Before starting a collection of goods to be sent please do the following:

- Make sure items are well packed and labeled.
- It is more efficient when items are sent properly sorted, clearly labeled and ready for distribution.
- Make a specific contents list. It should be taped to the outside of each box you are sending. This allows contents to get to the proper distribution location in a timely manner. Please try to pack related items together to prevent further sorting.
- Food items - canned or dry goods should be boxed separate from other items. No perishable foods. Expiration dates must be at least one (1) year from today's date.
- Clothing and shoes must be new; separated adult men, adult women, children male, children female.
